

# **Lakeside Emergency Net Preamble**

**QST, QST, QST**

**SAY:** Welcome to the Lakeside Emergency Net. This is (**your call sign, name**) and I am your net control operator for tonight's K6LKS Lakeside Emergency Net. Before we get started, at any point if there is emergency traffic, please break in. Is there any priority or emergency traffic at this time?

**Pause**

The Lakeside Emergency Net is held the second Sunday of the month at 7:00 p.m. local time. The net is conducted on a frequency of 147.765 with a negative offset and a PL of 79.7. We would like to thank the East County Repeater Association for allowing us to conduct this net on their Rattlesnake Mountain Repeater. More information about the East County Repeater Association can be found at [www.ecra.org](http://www.ecra.org).

**Pause**

The Lakeside Emergency Net originates from **the River Park Fire Station Complex** in Lakeside. This net is conducted by members of the CERT Volunteer. This net is designed to prepare Amateur Radio Operators to operate in a formal net setting in response to a local or regional disaster. All Amateur Radio Operators are welcome and are encouraged to participate in tonight's net.

**Pause**

Are there any announcements?

Upon checking into tonight's net, we would ask that stations remain on frequency until completion of the net. If you must leave, please inform net control. Stations requesting to be added to the list will be given the opportunity to check in. At this time, do we have any check-ins? Name and call sign please.

**Pause**

**Round 1**

**73 Round**

This concludes the Lakeside Emergency Net for tonight. If you have any comments or suggestions, please send us an email at [radionet@lakesidefire.com](mailto:radionet@lakesidefire.com). This is net control (**your call sign, name**). The net is now closed. Please resume normal traffic.
